Everything You Need To Know About The SaniGO Band Fundraising Program

Why Fundraise With SaniGO?

Great for Everyone

SaniGO Bands feature an adjustable strap to fit almost anyone, even kids!

Ideal for Both COVID-19 and Cold & Flu Season

Sanitize your hands on-the-go, anywhere you go so you never have to feel gross again.

Very Convenient

No more looking for public sanitizer dispensers and no more worrying about not having a pocket or purse to carry around your personal bottle of hand sanitizer.

How Does The Program Work?

1. Choose a Purchase Option

You can either pre-purchase the SaniGO bands prior to selling OR you can place your order after you've gathered orders, it's totally up to you! *NOTE: minimum orders apply to post-order purchases and branded orders.*

2. Choose Branded or Non-Branded Bands and the Colour

Determine whether you want to add a logo onto the bands and choose which colour you would like to sell.

3. You Gather Orders

4. Place Your Order (post-order purchasing)

If you've chosen to place your order after you've gathered orders, you can easily use our online order form to place your order!

5. We Send You Your Order

After we've received your online order, we will get your order together and ship it out to you. *NOTE: custom branded orders may take a bit longer to ship.*

6. You Deliver to Your Customers

What We Provide You

1. Customer Order Forms for Customers

We will add your logo, change the colour of the band to your chosen colour, and edit certain fields depending on your requirements.

2. Order Sheet

Keep track of all your orders on one sheet so you can easily know how many orders you have.

3. Ability to Custom Brand the Bands

4. Great Customer Service!

SaniGO Band Order Form
