

The Future (kingdom) Animals in Isaiah 11:6-9 will be / are...

*“The **wolf** also shall dwell with the **lamb**, The **leopard** shall lie down with the **young goat**, The **calf** and the **young lion** and the **fatling** together; And a **little child** shall lead them. The **cow** and the **bear** shall graze; Their young ones shall lie down together; And the **lion** shall eat straw like the **ox**. The **nursing child** shall play by the **cobra**’s hole, And the **weaned child** shall put his hand in the **viper**’s den. They shall not hurt nor destroy in all My holy mountain, For the earth shall be full of the knowledge of the LORD as the waters cover the sea.” (Isaiah 11:6-9)*

Directions: after reading through **Isaiah chapter eleven**, consider and discuss how the animals that will live on the earth during the future 1,000 year reign of Christ are described above. **Do you agree with the points made? Would you change or add to them in any way? At the end, discuss the most important descriptive phrases and make practical applications.** In this, consider how chapter 11 was encouraging in Isaiah’s day, and how it should encourage us even more today?
