Last Updated: February 22, 2022

Our website and mobile application is provided by EarlyBird Central, Inc. (“EarlyBird,” “we,” or “us”), an SEC-registered investment adviser. These Terms of Use (the “Terms”) constitute a legal and binding contract between you and EarlyBird and, along with any other binding policies, terms, or agreements, govern all aspects of your use of EarlyBird’s website, mobile application, and any other platform (collectively, the “Site”). Please read these Terms carefully.

By downloading or using any information, materials, or functions available on the Site (the “Services”), you agree to be bound by these Terms, as well as the applicable additional terms, conditions, policies, and other binding agreements, some of which can be found [here](#). All such terms, conditions, policies, and other binding agreements are expressly referenced and incorporated herein. Please be sure to read all applicable terms, conditions, policies, and other binding agreement.

You represent and warrant that you: (a) are above the legal age of majority in your jurisdiction of residence, (b) have not previously been suspended or removed from the Site, (c) do not have more than one (1) account at any given time for the Site; (d) you will only provide us with true, accurate, current and complete information if you register for an account; and (e) that you have full power and authority to enter into the Terms and in doing so will not violate any other agreement to which you are a party. Trusted Contact has view-only rights to a custodial account, as assigned by the custodian account owner.

2. **Giver Accounts:** This account type is for friends and family who choose to give gifts.
3. **Child Accounts:** This account type is for the beneficiary of the gifts. This account is only available to the child after they have turned 18 years old.

We reserve the right to restrict certain areas of information on the Site to such registered users. If you provide any information that is untrue, inaccurate, not current or incomplete, or we have reasonable grounds to suspect such, we reserve the right to terminate your account and refuse any and all current or future use of the Site by you. When you register, you will be asked to create a PIN. You are responsible for maintaining the confidentiality of your account and PIN. EarlyBird is not liable for any harm related to the theft of your access credentials, your disclosure of access credentials, or your decision to allow another person or entity to access and use the Site using your access credentials. You agree to accept responsibility for all activities that occur under your account. If you have reason to believe that your account is no longer secure, then you must immediately notify us by using the contact information below.

You are responsible for all use of your account, regardless of whether you authorized such access or use, and for ensuring that all use of your account complies fully with the provisions of these Terms. Any conduct that in our sole discretion restricts or inhibits anyone else from using or enjoying the Services will not be permitted. We reserve the right in our sole discretion to remove or edit any content and to terminate your account for any or no reason.

We will not be liable for any delays in the receipt of any messages. Delivery is subject to effective transmission from your network operator. You understand that wireless service through Wi-Fi or a participating mobile service provider may not be available in all areas at all times and may be affected by product, software, coverage or other service changes made by your mobile service provider or otherwise. You agree that you are solely responsible for all message and data charges that apply to use of your mobile device to access the Services or use of a mobile application. All such charges are billed by and payable to your mobile service provider. Please contact your participating mobile service provider for pricing plans, participation status and details.

If you use our mobile application, you can delete your account by submitting a request to info@getearlybird.io. However, as an SEC-registered investment advisory firm, we have certain legal obligations to retain some data for regulatory compliance purposes. To the extent your account includes such data, we will retain it only for legal compliance purposes and not use it for any other purpose. We will also delete any data not subject to the regulatory retention requirement.

Investments

You should carefully read these Terms and consider the investment objectives, risks, charges and expenses of EarlyBird before investing. As with many investment programs, there can be no assurance that the value of your investment will grow at any particular rate or that it will not decline. For more information about our investment strategies, contact us using the information below. Information regarding the investment strategies and related risks of exchange-traded funds (“ETFs”) can be found in the prospectus and statement of additional information (“SAI”) of each ETF. For more information about the ETFs, including copies of their prospectuses, SAIs, and annual reports, contact the ETFs. Information presented represents past performance. PAST PERFORMANCE IS NOT A GUARANTEE OR INDICATION OF FUTURE RESULTS. Investment return and principal value of an investment will fluctuate; so that an investor's shares, when redeemed, may be worth more or less than their original cost; current performance may be lower or higher than the performance data quoted. All funds are subject to market risk. No investment strategy or allocation can guarantee a profit or protect against a loss in a declining market. No investments are guaranteed or insured by the Federal Deposit

Investment Advice

All of EarlyBird’s clients are advised on a discretionary basis; EarlyBird will select the investment based on information provided by the client. You confirm that you do not need, require or desire in-person or other personal investment advice. Our investment advice will be based on the personal information you provide to us through our website. We do not provide any investment advice through other means.

Uniform Gifts to Minors Act

Ownership of an account established under the Uniform Gifts to Minors Act (UGMA) is governed by these Terms and UGMA law. The account may be accessed only by the owner of the parent account (“Custodian”) (or the successor Custodian), and the funds must be used for the benefit of the child. We presume the Custodian is carrying out her or his duties in accordance with the law, and we have no duty or obligation whatsoever to monitor or ensure that the acts of the Custodian (or successor Custodian) are conducted according to law or for the child’s benefit. We are not responsible to either the Custodian or the child for monitoring the age or eligibility of a minor for an UGMA account, even though our records may include the minor’s date of birth, and will not send any notices regarding the termination of the UGMA account for such reasons

to anyone except and unless explicitly required to do so by state law. As clearly set forth by state law, it is the Custodian's responsibility to properly distribute the funds in the account including upon the child's death or attainment of the age of eighteen (18) (or the age of distribution under applicable state law).

Fees

EarlyBird does not charge an account-opening fee. EarlyBird does not require a monthly minimum to maintain your account.

Payment Processor

In order to use the payment functionality of our Site, you must open a "Dwolla Platform" account provided by Dwolla, Inc. and you must accept the Dwolla Terms of Service and Privacy Policy. Any funds held in the Dwolla account are held by Dwolla's financial institution partners as set out in the Dwolla Terms of Service. You must be 18 years of age or older to use the service. You authorize EarlyBird to collect and share with Dwolla your personal information including full name, date of birth, social security number, physical address, email address and financial information, and you are responsible for the accuracy and completeness of that data. You understand that you will access and manage your Dwolla account through our Site, and Dwolla account notifications will be sent by EarlyBird, not Dwolla. EarlyBird will provide customer support for your Dwolla account activity, and can be reached at support@getearlybird.io.

Custodian Accounts

Custodian account owners will pay a \$1/month subscription fee for the first custodial account, and \$1/month for each additional custodial account. All fees mentioned in this paragraph will not be deducted from a minor's custodial account, and instead will be deducted from the funding source connected to the user's EarlyBird account.

Custodian account owners can also add a "Trusted Contact" to their account, which will result in the Trusted Contact receiving a text message inviting them to EarlyBird. Custodian account owners are solely responsible for ensuring that they have the permission to add, and have obtained any necessary consents to contact, Trusted Contacts. Custodian account owners expressly agree to indemnify EarlyBird for any damages, losses, claims, or other costs, including legal fees, arising from the adding or contacting of a Trusted Contact.

Giver Accounts

A giver account will not be charged a monthly or annual wealth management fee without active custodial accounts. A giver account will pay a \$2 gift transaction processing fee per transaction. All fees mentioned in this paragraph will not be deducted from the gift to the minor's custodial account, and instead will be deducted from the funding source connected to the user's EarlyBird account.

When a giver account gives to an individual who does not already have a custodial account, it will result in a text message sent to that individual's parent or guardian. Givers are solely responsible for ensuring that they have the permission to add, and have obtained any necessary consents to contact via text message, the individual, parent, or guardian. Givers expressly agree to indemnify EarlyBird for any damages, losses, claims, or other costs, including legal fees, arising from contacting such individuals, parents, or guardians.

Child Accounts

When a child assumes control of his or her account, there will be no monthly minimums or account opening fee.

One-Time and Reoccurring Gifts

EarlyBird allows parents/guardians and givers to make a one-time gift or reoccurring gifts on a predetermined frequency. EarlyBird does not guarantee future scheduled gifts will be executed on the date(s) specified.

You may make a gift through the website or mobile app and parents/guardians may accept a gift on behalf of their minor child through a holding account with Dwolla under the parent/guardian's name. See the above "Payment Processor" section for more information about Dwolla.

Cryptocurrency Wallets

You may choose to gift cryptocurrencies, such as Bitcoin and Ethereum, through our partnership with Gemini Trust Company, LLC, a New York trust Company ("***Gemini***"). At the present time, your gifts will be limited to Bitcoin and Ethereum, both of which have a substantial track record. You acknowledge that you and the recipient are solely responsible for complying with any applicable laws and regulations relating to your investing in or gifting of cryptocurrencies.

You must evaluate your particular financial circumstances to determine whether EarlyBird is appropriate for you. Acquiring cryptocurrencies can result in substantial losses, including most if not all of an investment.

EarlyBird expects to expand your ability to gift different cryptocurrencies in the future. Gemini will serve as the custodial partner. By accepting these Terms with the Company, you also agree to enter into the Gemini (1) User Agreement; (2) Privacy Policy; (3) Custody Agreement; and all other applicable agreements, copies of which may be found here: <https://www.gemini.com/legal>

Cryptocurrency

Unique Features of cryptocurrencies. Cryptocurrencies are digital instruments intended to function as a store of value or a medium of exchange. Although cryptocurrencies are often exchangeable for various fiat currencies, unlike fiat currencies, cryptocurrencies are not backed by any government or central bank and do not constitute legal tender in the United States. The

price of cryptocurrencies is based on the agreement of the parties to a transaction, which may or may not be based on the market value of the cryptocurrency at the time of the transaction.

Insurance

Accounts holding cryptocurrencies are not protected by SIPC coverage. Cryptocurrencies are also not covered by the FDIC, which covers fiat currency held in member banks. Existing insurance products are likely inadequate to cover potential losses if an exchange fails and/or digital wallets are hacked.

Price Volatility

You understand that cryptocurrencies derive their value from the markets in which they trade, and the markets for cryptocurrencies are global. The price of cryptocurrencies is based on the fair market value of the cryptocurrency and subject to changes in sentiment, which make these products volatile and unpredictable. The fluctuations of cryptocurrency prices are much greater than the price fluctuations of fiat currencies. Certain cryptocurrencies have experienced daily price volatility of more than 20%, including sudden drops in price. If participants in a given cryptocurrency market change their view about the value of a given cryptocurrency versus fiat currency, the price of the cryptocurrency can decline precipitously. It may be difficult to liquidate cryptocurrencies holdings at all or, if possible, such liquidation may occur at a significant loss. It is possible that the market for a given cryptocurrency can collapse altogether.

Valuation and Liquidity

You understand that cryptocurrencies can be traded through privately negotiated transactions and through numerous cryptocurrency exchanges and intermediaries around the world, each with its own pricing mechanism and/or order book. Generally accepted auditing methods for cryptocurrencies do not fully exist. The lack of generally accepted auditing methods and a centralized pricing source pose a variety of valuation challenges. In addition, the dispersed liquidity may pose challenges for market participants trying to exit a position, particularly during periods of stress.

Cybersecurity

You understand that cybersecurity risks of cryptocurrencies and related “wallets” or spot exchanges include hacking vulnerabilities, cybersecurity attacks and a risk that publicly distributed ledgers may not be immutable. A cybersecurity event could result in a substantial, immediate, and irreversible loss for market participants that hold cryptocurrencies. Cryptocurrency transactions may be irreversible, and, accordingly, losses due to a cybersecurity event may not be recoverable. Even a minor cybersecurity event in a cryptocurrency is likely to result in downward price pressure on that product and potentially other cryptocurrencies. In addition, the trading of cryptocurrencies may be adversely affected by network connectivity issues and dissemination of inaccurate data. You understand that a gift may incur losses due to software or hardware failures and system failures.

Cryptocurrency Exchanges, Intermediaries and Custodians

Cryptocurrency exchanges, as well as other intermediaries, custodians and vendors used to facilitate cryptocurrency transactions, are relatively new and sometimes unregulated outside the United States. In certain jurisdictions, there are no standard capital requirements for cryptocurrency platforms nor are there guarantors in the event a cryptocurrency exchange fails. The opaque underlying spot market and lack of regulatory oversight creates a risk that a cryptocurrency exchange may not hold sufficient cryptocurrencies or other funds to satisfy its obligations and that such deficiency may not be easily identified or discovered.

In addition to a higher level of operational risk compared to other regulated futures or securities exchanges, cryptocurrency exchanges can experience volatile market movements, flash crashes, fraud, various forms of market manipulation, theft, transaction processing delays and other cybersecurity risks. Trading in cryptocurrencies may be halted by the various trading venues due to unusual trading activity, outages, or other problems with a cryptocurrency platform. If Gemini experiences such technical difficulties, those difficulties could prevent you from accessing the cryptocurrency in your Account. You understand EarlyBird lacks control over the Gemini exchange and therefore is not responsible for any loss incurred due to problems with Gemini.

Technology

The relatively new and rapidly evolving technology underlying cryptocurrencies introduces unique risks. For example, a unique private key is sometimes required to access, use, or transfer a cryptocurrency via a blockchain or distributed ledger. The loss, theft or destruction of a private key may result in an irreversible loss. Changes in the technology of a given cryptocurrency platform or changes resulting from cybersecurity attacks include but are not limited to a “fork,” which can have a negative impact on the value of a particular cryptocurrency and can result in the loss or cancellation of a cryptocurrency position or a sudden loss of value.

RISKS:

There are material risks associated with using, owning, acquiring, or transferring digital currencies involved in EarlyBird’s features, including but not limited to:

- digital currencies are not backed by the government, and accounts and value balances are not subject to Federal Deposit Insurance Corporation or Securities Investor Protection Corporation protections;
- legislative and regulatory changes or actions at the state, federal, or international level as applied to cryptocurrencies, e.g., Bitcoin, may adversely affect the use, transfer, exchange, and value of digital currencies;
- financial intermediaries who Earlybird relies on such as Gemini Trust Company, LLC as well as the blockchain networks accessed by these intermediaries (such as the Bitcoin or Ethereum Blockchains on which the crypto assets are distributed), currently are relatively undeveloped and untested and are likely to rapidly evolve. Legislative and regulatory

changes may vary and may conflict among international, federal, state and local jurisdictions and the potential applications of existing regulations remain subject to significant uncertainty in many respects. In addition, various legislative and executive bodies in the United States and other countries may in the future adopt new laws, regulations, guidance, or other actions (including applying existing laws and regulations in ways that are adverse), which may severely impact the ability to access the digital currencies, and the structure, rights, value and transferability of the digital currencies could be impacted;

- the nature of digital currency may lead to an increased risk of fraud or cyberattack;
- EarlyBird does not own or control the underlying software protocols which govern the operation of digital currency and any technological difficulties experienced by EarlyBird or Gemini Trust Company, LLC may prevent the access or use of a customer's digital currency;
- a person or entity that accepts digital currency as payment today might not continue to do so in the future; and
- the value of digital currency may be derived from the continued willingness of market participants to exchange fiat currency for digital currency;
- The value of digital currencies such as Bitcoin and Ether have historically been subject to dramatic fluctuations and are highly volatile, and the market price of the digital currencies may also be highly volatile. Several factors may influence the market price of the digital currencies, of which Earlybird has no control or influence over.

Individuals who participate in the Services acknowledge and accept the risks associated with digital currency and agree that EarlyBird is not liable for any loss of value that may be experienced as a result of changes in digital currency operating rules.

Change in Fees

You acknowledge and agree that the fees described in these Terms may be increased or decreased as EarlyBird shall determine to be appropriate.

EarlyBird's failure to enforce the strict performance of any provision of the Terms or the additional terms and conditions for any product or service will not constitute a waiver of our right to subsequently enforce such provision or any other provisions of the Terms or the additional terms and conditions.

Limitation of Liability

UNDER NO CIRCUMSTANCES SHALL WE BE LIABLE FOR ANY DIRECT OR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES THAT MAY ARISE IN CONNECTION WITH THIS SITE, OR FROM YOUR USE OF, OR INABILITY TO USE THIS SITE; OR IN CONNECTION WITH ANY FAILURE OF PERFORMANCE, ERROR, OMISSION, INTERRUPTION, DEFECT, DELAY IN OPERATION OR TRANSMISSION, COMPUTER VIRUS, OR LINE OR SYSTEM FAILURE EVEN IF WE ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, LOSSES, OR EXPENSES. Some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages. In such jurisdictions, our liability is limited to the greatest extent permitted by law.

Disclaimers

THE SITE IS PROVIDED TO YOU ON AN "AS-IS" AND "AS-AVAILABLE" BASIS WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. EARLYBIRD MAKES NO WARRANTY THAT (i) THE SITE WILL MEET YOUR REQUIREMENTS, (ii) THAT OPERATION OF THE SITE WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE, OR (iii) THE CONTENT THAT MAY BE OBTAINED FROM THE USE OF THE SITE WILL BE ACCURATE OR RELIABLE. EARLYBIRD UNDERTAKES NO OBLIGATION TO UPDATE THE SITE. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM EARLYBIRD, OR THROUGH THE SITE SHALL CREATE ANY WARRANTY REGARDING THE SITE NOT EXPRESSLY STATED IN THIS AGREEMENT. YOU UNDERSTAND AND ACKNOWLEDGE THAT ADDITIONAL DISCLAIMERS,

LIMITATIONS, AND NOTICES REGARDING THE SITE AND ITS CONTENT AND DATA MAY BE PROVIDED BY EARLYBIRD FROM TIME TO TIME WITHIN THE SITE.

WE DO NOT WARRANT THAT THE SITE WILL OPERATE ERROR-FREE OR THAT THE SITE AND ITS SERVERS ARE FREE OF COMPUTER VIRUSES OR OTHER HARMFUL CONTENT. IF YOUR USE OF THE SITE, THE MATERIAL, OR THE SOFTWARE RESULTS IN THE NEED FOR SERVICING OR REPLACING EQUIPMENT OR DATA, WE ARE NOT RESPONSIBLE FOR THOSE COSTS.

Indemnification

You will defend, indemnify, and hold us harmless from and against any actual or threatened suit, actions, proceedings (at law or in equity), claims, damages, payments, deficiencies, fines, judgments, settlements, liabilities, losses, costs, and expenses (including reasonable attorneys' fees, costs, penalties, interest, and disbursements) arising from or related to your conduct with respect to the Site or violation (or alleged violation) of these Terms. Under no circumstance will EarlyBird be liable for damages of any kind that result from your use of, or the inability to use, the Site.

Legal Disputes

YOU AND EARLYBIRD AGREE TO GIVE UP ANY RIGHTS TO LITIGATE CLAIMS IN A COURT OR BEFORE A JURY OR TO PARTICIPATE IN A CLASS ACTION OR REPRESENTATIVE ACTION WITH RESPECT TO A CLAIM. OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT, SUCH AS ACCESS TO DISCOVERY, ALSO MAY BE UNAVAILABLE OR LIMITED IN ARBITRATION.

Any dispute between you and EarlyBird arising from or relating to these Terms and their interpretation or the breach, termination or validity thereof, the relationships which result from these Terms, including disputes about the validity, scope or enforceability of this arbitration provision (collectively, “**Covered Disputes**”), will be settled by binding arbitration.

Prior to initiating any arbitration, the initiating party will give the other party at least 60 days advanced written notice of its intent to file for arbitration. We will provide such notice by either email to your e-mail address on file with us or by mail to your mailing address on file with us and you must provide such notice to us by email to EarlyBird Central, Inc., 2814 N. Spaulding, Chicago, IL 60618.

During such 60-day notice period, the parties will endeavor to settle amicably by mutual discussions any Covered Disputes. Failing such amicable settlement and expiration of the notice period, either party may initiate arbitration. The arbitrator will conduct any arbitration proceedings by telephone or videoconference unless in-person appearances are requested by you or EarlyBird and approved by the arbitrator. Any in-person appearances will be held at a

location mutually agreed upon by you and EarlyBird, or, in the absence of such agreement, at a location determined by the arbitrator. The arbitrator will have the power to grant whatever relief would be available in court under law or in equity and any award of the arbitrator will be final and binding on each of the parties and may be entered as a judgment in any court of competent jurisdiction. The arbitrator will apply applicable law and the provisions of these Terms and the failure to do so will be deemed an excess of arbitral authority and grounds for judicial review.

EarlyBird and you agree that any Covered Dispute hereunder will be submitted to arbitration on an individual basis only. Neither EarlyBird nor you are entitled to arbitrate any Covered Dispute as a class, representative or private attorney action and the arbitrator(s) will have no authority to proceed on a class, representative or private attorney general basis. If any provision of the agreement to arbitrate in this section is found illegal or unenforceable, the remaining arbitration terms shall continue to be fully valid, binding, and enforceable (but in no case will there be a class, representative or private attorney general arbitration). These Terms and related transactions will be subject to and governed by the Federal Arbitration Act, 9 U.S.C. sec. 1-16 and, where otherwise applicable, by the laws of the State of Illinois.

Unless you and EarlyBird agree otherwise, in the event that it is determined or these Terms provide that a claim should not proceed through arbitration, you agree that any claim or dispute (with the exception of a claim or dispute appropriately lodged in any small claims court in the United States of America) shall be resolved in the United States District Court for the Northern District of Illinois, and you submit to the personal jurisdiction of that court. If subject matter jurisdiction (including diversity jurisdiction) does not exist in the United States District Court for the Northern District of Illinois for any such claim, then the exclusive forum and venue for any such action shall be the courts of Illinois, and you submit to the personal jurisdiction of that court.

Termination

We may terminate or suspend your access to the Site, delete your profile and any content or information that you have posted on the Site and/or prohibit you from using or accessing the Site (or any portion, aspect or feature of the Site) if you violate the Terms, effective immediately, which may result in the forfeiture and destruction of all information associated with you and your activities in connection with the Site. If you wish to terminate your account, you may do so by following the instructions on the Site. Any fees paid hereunder are non-refundable. In the event of termination, you will still be bound by your obligations under these Term.
