Tuesday, December 14, 2021
Marvin Green

Meet Marvin Green.

Many of you will remember Marvin. He was part of Men's Life back in 2013-2015 and spoke to Men's Life once or twice. During that time he was on probation from Boulder County. He violated his probation in mid-2015 and was sent to prison in Canon City. He was paroled in January of this year and he is now working and living in Aurora.

Throughout history God has used hard times, including exile and captivity to draw his people back to him

Hard times can bring opportunities to surrender to the Lord

God can use incarceration today can just as he used captivity in Biblical times

God can use the justice system to achieve his purposes in people's lives

Small Group Question:

1. HAVE YOU EVER THOUGHT ABOUT THE FACT THAT GOD WILL USE CAPTIVITY IN ORDER TO BRING THOSE THAT He CALLS His own to get them back on track with Himself.

2. How have you learned from suffering?

3. What kinds of captivity has God used in your life, and what have you learned from it?

4. Can we resist the lessons God delivers to us; How?
