People don’t often become Jesus followers because of buildings, but because of what happens in and through them. We will enhance our programs and buildings to:

- 1. Glorify God’s kingdom
- 2. Grow disciples of Jesus Christ
- 3. Create thousands of new interactions a week
- 4. Bless the city
- 5. Provide a platform for personal witness

All aligned with our Core Values

Jesus Christ

He transforms lives as He is encountered in scripture and community.

Boulder

We pursue God’s heart for a flourishing city and beyond.

Youth

We follow Jesus’ example in inviting and discipling younger generations.

Prayer

God meets and shapes us as we submit to His Spirit.

Multi-Generational Community

We worship and serve together, side by side.

Leadership

We invest in emerging disciples for the next generation of gospel leaders here and around the world.
