WINE TYPE	Red
WINE MAKER	Ginny Povall

---

## VINEYARD NOTES

This organically farmed vineyard is situated in a north-northwest row orientation trellised in vertical shoot positioning. High density vineyard blocks of 5,600 vines per hectare with an altitude of 200 m. The soil is predominantly decomposed granite, with pockets of shale and sandstone. The vines were planted in 2009 and 2010.

## WINEMAKING NOTES

The grapes were destemmed, crushed and fermented in open top fermentation tanks, with punch downs performed twice daily. The wine was gently pressed and racked to barrel for malolactic fermentation where it spent 12 months maturing in barrels.

## TASTING NOTES

A gracious, full-bodied red which displays raspberry and red plum fruit flavors, a touch of spice, pencil shaving and earthy undertones. The tannins are elegant yet present and this is a wonderful food wine that would be a delight with "braai brootjies" (South African grilled cheese), sosaties and "boerewors" (South African coriander spiced sausage) on the BBQ.
