

VERONA/TUSCANY

VERONA

TUSCANY

BENEFITS

- Easiest installation in the industry — faster, with better results, and saves labor
- Design Flexibility — Create your own look! Choose either contoured (Verona) or flat (Tuscany) top rail
- True-to-length (6' = 72" of railing to fit a true 6' opening)
- Aluminum reinforced top and bottom railing (all sizes)
- Kitted Section (top/bottom rail + aluminum inserts, support block, brackets and stainless steel hardware) in one box — easier to source
- 3/4" round aluminum balusters (purchased separately) are available in a multitude of colors
- Proudly manufactured in the USA with virgin PVC
- "No-miter stair bracket" — cleaner, simpler and faster installation
- Better curb appeal — white railing is egg-shell/semi-gloss, resembles painted wood
- Limited-lifetime warranty
- More sizes = more capability and smarter purchasing

VERONA/TUSCANY

Box includes factory-routed aluminum reinforced rails, rail brackets, hardware, bottom support block and installation instructions. Balusters, post, post mounting brackets, post caps and decorative collars are sold separately.

3/4" Round Balusters
 Sold in sets of 10
 Lengths: 26", 32" & 38"

Baluster Colors
 bronze, white & black

	Height*	Length
Straight	36", 42"	6', 8', 10'
Stair	36"	6', 8'

*Use a 32" baluster to achieve 36" rail height or a 38" baluster to achieve 42" rail height
