Distributor's notes

A NEW sparkling wine made with 100% Moscatel of Alexandria with 5 days of skin contact in stainless, bottled on the lees for 9 mo and disgorged to order. All hand harvested, spontaneous yeast fermentation, and no fining, filtering, or SO2 of any kind. Like drinking a floral orange blossom bouquet. The kinda wine you need on a hot day when you're thirstyyy. 450 bottles produced in total.

Grapes are organically grown young vines of Muscat grafted onto 30-year old rootstock. Due to some vintage issues, this is going to be the last time we see this petnat for a few years. They had to rip up all of the vines after 2020 harvest to replant and will hopefully make this again in 3-4 years!
