Distributor's notes

All organically grown fruit from selected parcels within 8ha of estate vineyards. Made using the "Black Chard" method with a long cold soak upfront - and introducing a lot of air contact through the initial spontaneous fermentation with native yeasts. The idea is the more oxygen the better to protect the final wine. Aged in ceramic eggs and old neutral barrels for 6-7 months on the lees before bottling unfined, unfiltered, and zero SO2.
