Distributor's notes

100% Vigiriega purchased from organically farmed, very high elevation, mountain vineyards (Sierra de la Contraviesa) over schist and clay soils. Hand harvested, fermented with indigenous yeasts in stainless tanks and bottled as an ancestral sparkling. After 6 months in the bottle on the lees it is disgorged in March 2021 - finished and bottle unfined, unfiltered, and zero SO2. Annual production was 2,400 bottles. "La Traviesa" makes a play on words with the "Sierra de la Contraviesa" where the grapes come from, at about 1,300 m above sea level. The label is an image from an old movie, "La Traviesa (mischievous) Marieta."
