Distributor's notes

100% Vigiriega farmed organically in very high elevation mountain vineyards (Sierra de la Contraviesa) over schist and clay soils. Hand harvested, destemmed, direct pressed, fermented in tank with native yeasts and partial aging happens in large stainless steel (50%) and partially old tonneau for 9 months. Bottled unfiltered, unfiltered, with zero SO₂. Annual production is 4,100 bottles. "La Traviesa" makes a play on words with the "Sierra de la Contraviesa" where the grapes come from, at about 1,300 m above sea level. The label is an image from an old movie, "La Traviesa (mischievous) Marieta."
