750 mL × 12 — SDLV22-0100-21

Distributor's notes

Co-ferment of Cencibel and Parellada, organically grown and hand harvested. Only 50% destemmed. 40 days of skin contact, spontaneous fermentation with native yeasts, after the wine is pressed it is transferred to amphoras where it ages for less than a year before being bottled unfinned, unfiltered, and zero SO2.
