### Distributor's notes

A co-ferment blend of Cencibel, Airén, and Macabeo organically farmed and hand harvested. 50% destemmed, the rest is whole cluster. A few days of skin contact, natural yeast fermentation. The wine is then pressed and aged for 6 months in stainless. Bottled unfined, unfiltered, and zero SO2. A fresher, brighter, more floral red than the traditional Indar red. Annual production is 2,533 bottles.
