Distributor's notes

A darker rosado made from 100% Monastrell, organically grown on sandy-clay soils covered in limestone at an elevation of 750m. Vineyards are 25 year old bush vines, located in Jumilla and hand-harvested in early September to preserve freshness. Direct press, spontaneous fermentation with native yeasts in small 1,000L plastic vats with manual punchdowns up to 3 times per day until natural settling occurs. Minimal aging. Bottled unfined, unfiltered, with zero SO₂.
