750 mL x 12 – SDLV-0067-22

This is a skin-contact / orange wine made in collaboration with Salva Batlle and Jordi Inglès. A blend of 47% Moscatel, 3% Monastrell, and 50% Macabeo, farmed organically/biodynamically in the following 3 vineyard sites: "Pauet Petit" (380m), "La Juncosa" (420m), "La Parada de L'Hort" (480m), in the La Serra del Montmell (Tarragona) over clay-limestone soils. Hand harvested, 100% destemmed, 3 days maceration on Macabeo, 12 days on Moscatell & Carignan. Fermentation with native yeasts in stainless steel tanks for a few short months before being bottled unfiltered, unfiltered, and zero SO2. Limited production, and only the second time we have had this wine here! Slightly floral, salty, fairly light bodied and delightful!
