## HOW TO ORDER NIENKÄMPER TABLES

---

- Select a Table:** By using the table of contents, chose the style of table required: side, coffee, conference or dining. To help find a table suitable for your needs we have provided line drawings of each throughout this section. You can also go to [www. Nienkämper.com](http://www.Nienkämper.com) for a full listing of products and color images.
- Specify Top Details:** Nienkämper wood top tables are available in all standard Nienkämper veneers and stains, refer to pages 5-8 for a listing. Any exceptions are noted on each page.
- For tables available with a veneer pattern, refer to page 5 for details. Specify your veneer pattern choice at the time you place your order. Tables that are available with an optional veneer pattern are identified in the notes section at the bottom of each page.
- Specify Base Details:** At the bottom of each page are notes indicating base finish. Review these note and specify your finish selection at the time you place your order

Nienkämper table designs are available as standard pricing with particular patterns on specific shapes and sizes. Refer to notes at the bottom of each page for details. The veneer patterns shown above are suggestions for Nienkämper tables. Contact Customer Service at 800.668.9318 for assistance

## VENEERS

All wood surfaces are protected with a durable polyurethane clear laquer with UV inhibitor. This finish is known for its exceptional durability, as well as abrasion, chemical, impact and scratch resistance. Standard sheen level is 45 degrees. Optional 10 and 35 degree sheen levels are available on request at no additional cost.

| Wood Species              | Order Code | Veneer/Stain                                        | Upcharge                           |

## VENEER GRAIN OPTIONS

Nienkamper products utilize the best quality veneers available, and, combined with Nienkamper's patented veneering systems, create work environments of incredible quality and beauty.

All veneer furniture comes standard with flat cut book-match veneer; flat cut slip-match veneer can also be specified. Quarter cut slip-match and quarter cut book-match veneers are available at a 5% upcharge. Figured Anagre and Figured Sycamore veneers are Quarter cut book-matched. Bird's Eye Maple and Curly Maple are rotary cut.

Facet Edge, Taper edge and Flowform edge tops with veneer are manufactured with a solid wood edge. All edges are then veneer wrapped to create a seamless profile top.

## P-LAM

### Wood grain plastic laminate surfaces are available on table tops with Facet and Taper edges.

These tops are manufactured with a solid wood edge that is applied prior to the laminate top surface. This method conceals the thickness of the wood edge, while providing the durability required. Wood edges are selected that most closely resemble both the species and the color of the laminate chosen

Nienkämper has pre-selected a number of standard wood grain plastic laminates that represent a cross section of both color and species. Simply include the order code with the model number to make these selections. Alternatively wood grain plastic laminates selected outside of Nienkämper's standard selection can be made by specifying the manufacturer as well as the description and model number of the laminate at the time of order. Note: for Facet edge tops the laminate must be a post-forming grade.

| Wood Grain Plastic Laminate Surfaces | Order Code | Manufacturer #     | Finish              |
|--------------------------------------|------------|--------------------|---------------------|
| Champagne Sagawood                   | WL1        | Nevamar WM8349T    | Textured            |
| Hardrock Maple                       | WL2        | Pionite WM791-SD   | Textured/Suede      |
| Amber Curly Maple                    | WL3        | Pionite WM221-SD   | Textured/Suede      |
| Anagre                               | WL4        | Pionite WX041-SD   | Textured/Suede      |
| Monticello Maple                     | WL5        | Wilsonart 7925-38  | Fine Velvet Texture |

### FINGERPRINT RESISTANCE P-LAM

Fingerprint Resistance Plastic Laminate is an innovative material created for interior design applications and is suitable for both vertical and horizontal interior applications on our nienkamper furniture.

The external surface of Fingerprint Resistance Plastic Laminate involves the use of nanotechnology made possible by next generation acrylic resins.

The unique composition offers extraordinary features coupled with a unique user experience. These include an ultra matte surface (eliminating glare), an ultra sofa feel, an anti-fingerprint surface, thermal healing of micro-scratches, increased durability as well as anti-bacterial and mold-resistant properties.

**Edgeband** with matching color to the Fingerprint Resistance Plastic Laminate is only available on taper edge. For 1" or 1-1/4" thick top with self edge, same Fingerprint Resistance Plastic Laminate can be specified for the self edge or it can be in clear/silver translucent edge.

There is a 10% upcharge on our standard plastic laminate table pricing for Fingerprint Resistance Plastic Laminate.

| Colored "Fingerprint Resistance" Plastic Laminate Surface | Order Code | Finish |
|-----------------------------------------------------------|------------|--------|
| Black                                                     | RL-01      | Matte  |
| Gray                                                      | RL-02      | Matte  |
| Pure White                                                | RL-03      | Matte  |
| Sand                                                      | RL-04      | Matte  |
| Bronze                                                    | RL-05      | Matte  |

| Edgeband to Match with Colored "Fingerprint Resistance" Plastic Laminate | Order Code |
|--------------------------------------------------------------------------|------------|
| Black                                                                    | RE-01      |
| Gray                                                                     | RE-02      |

### Standard Features:

- Glass tops are ¾" thick, with polished edges; only available at 96" wide.
- Wood tops are 1¼" thick, with a tapered edge (TE), facet edge (FC).
- Flowform edge (FF) and camber edge (CE) available. Add 5%.
- Leather-wrapped tops are 1½" thick, with a bull-nose edge.
- Client can also specify their own top in stone or other material, for which Nienkämper would provide a sub-top.
- Where forums are required, a laminate liner will be used in the bases to the cords. This liner can be a colorful contrast to enhance the Arabesque pattern, or a complementary color to blend in.
- Forum: full Vox® Forum capabilities. See Vox® Planning Guide or Vox® Forum Configurator.
- Additional sizes available upon request.

### Standard Features:

- Glass tops are ¾" thick, with polished edges; only available at 96" wide.
- Wood tops are 1¼" thick, with a tapered edge (TE), facet edge (FC).
- Flowform edge (FF) and camber edge (CE) available. Add 5%.
- Leather-wrapped tops are 1½" thick, with a bull-nose edge.
- Client can also specify their own top in stone or other material, for which Nienkämper would provide a sub-top.
- Where forums are required, a laminate liner will be used in the bases to the cords. This liner can be a colorful contrast to enhance the Arabesque pattern, or a complementary color to blend in.
- Forum: full Vox® Forum capabilities. See Vox® Planning Guide or Vox® Forum Configurator.
- Additional sizes available upon request.

### Standard features:

- Tops are 1¼" thick, available in all standard Nienkamper veneers and plastic laminates
- Table edges are offered in 3" taper and self.
- Solid oak, maple or walnut legs, available in all Nienkamper stains.
- 4" radius (soft) corners are standard.
- 4 soft tread, non-marring caster.
- Lower shelf with powder coated aluminum edge, available in Nienkamper powder coat finishes.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

## Standard features:

- Tops available in all Nienkamper standard veneers and plastic laminates.
- Neather wrapped base in either black or standard Neather colors with contrasting stitching.
- Shrouds and columns are powder coated to match base.
- The base must be floor mounted.
- All wires are concealed by the column and are hidden from view.
- Connectivity solutions include Simple pop up Forum, or flush mount Simple Forum.

## Standard features:

- Tops available in all Nienkamper standard veneers and plastic laminates.
- Neather wrapped base in either black or standard Neather colors with contrasting stitching.
- Shrouds and columns are powder coated to match base.
- The base must be floor mounted.
- All wires are concealed by the column and are hidden from view.
- Connectivity solutions include Simple pop up Forum, or flush mount Simple Forum.

### Optional veneer patterns for Max tables:

To order a Max table, select table model number and add the base model number.

When specifying a pattern veneer top, include the table model number and base model number.

Max side table glass tops are attached; coffee table glass tops rest on the base.

All bases are wood and available in standard Nienkämper veneers and stains. To custom match stains add \$570 list for each stain color.

### Standard Features:

- Tops are 1¼" thick, available in all Nienkamper standard veneers and plastic laminates.
- 3" Taper and self edge available.
- Solid oak, maple or walnut legs and can be stained in all Nienkamper finishes.
- All tables with 2-piece tops include a center plinth base with lift off access panels.
- Foot rails are typical to all standing height configurations and are powder coated to match stretcher rail.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

## Standard Features:

- Tops are 1¼" thick, available in all Nienkamper standard veneers and plastic laminates.
- 3" Taper and self edge available.
- Solid oak, maple or walnut legs and can be stained in all Nienkamper finishes.
- All tables with 2-piece tops include a center plinth base with lift off access panels.
- Foot rails are typical to all standing height configurations and are powder coated to match stretcher rail.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

Model #26523/538 & #26523/529

## Standard Features:

- Tops are 1¼" thick, available in all Nienkamper standard veneers and plastic laminates.
- 3" Taper and self edge available.
- Solid oak, maple or walnut legs and can be stained in all Nienkamper finishes.
- All tables with 2-piece tops include a center plinth base with lift off access panels.
- Foot rails are typical to all standing height configurations and are powder coated to match stretcher rail.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

## Standard Features:

- Tops are 1¼" thick, available in all Nienkamper standard veneers and plastic laminates.
- 3" Taper and self edge available.
- Solid oak, maple or walnut legs and can be stained in all Nienkamper finishes.
- All tables with 2-piece tops include a center plinth base with lift off access panels.
- Foot rails are typical to all standing height configurations and are powder coated to match stretcher rail.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

## Standard Features:

- Tops are 1¼" thick, available in all Nienkamper standard veneers and plastic laminates.
- 3" Taper and self edge available.
- Solid oak, maple or walnut legs and can be stained in all Nienkamper finishes.
- All tables with 2-piece tops include a center plinth base with lift off access panels.
- Foot rails are typical to all standing height configurations and are powder coated to match stretcher rail.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

Buddy tables and trays have a 14" diameter molded top wrapped in Nienkämper Verde or Grano leather. Neather, a high quality vinyl, can also be specified for extra durability. The Buddy Tray has a finished underside to protect fine furnishings.

The Buddy Table base is steel available in silver or black powder-coat paint finish. The Off Centre Pedestal, Model #681 allows the Buddy Table to be tucked in close to a chair or sofa.

Inlaid leather or Neather can be embossed with corporate logos or names.

These tables come in a hexagonal box with carrying handle for extra portability and make a perfect corporate incentive gift.

Trix Tables are constructed of a heavy metal base encased in polished aluminum. The top is aluminum and is inlaid in Nienkämper Verde or Grano leather. Neather, a high quality vinyl, can also be specified for extra durability.

Inlaid leather or Neather can be embossed with corporate logos or names.

These tables come in a hexagonal box with carrying handle for extra portability and make a perfect corporate incentive gift.
