

Pullman™
Nienkämper

Pullman sofas, lounge chairs, and benches, with their beautifully tufted upholstery and elegant frames, offer a strong design aesthetic with minimal use of space. Ideal for use in public spaces, hospitality lounges, private offices and institutional spaces, this seating is versatile and flexible. Sofas and chair are available with or without arms.

Seat and Back:

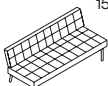

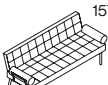

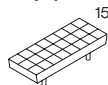

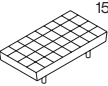

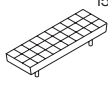

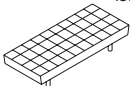

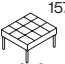

The upholstered seat and back are cut soft polyurethane foam core wrapped in Dacron®. The sofa can be upholstered in fabric, leather, vinyl, or a combination. Upholstery without tufting detail can be specified in fabric only.

Frame:

Plywood/hardwood construction.

Base:

The base is made of tubular steel and is available in a brushed nickel or polished chrome finish.

Nienkämper

Simplicity is one secret to furniture design that combines a commanding presence with a compact footprint. Refinement is the other. The Pullman series, with its elemental forms and impeccably tailored tufting, has both. It also offers choice. Lounge chairs and sofas may be specified with or without arms. Benches come in four sizes. Bolsters and ottomans round out the range of options. Quite simply, Pullman is beautiful, versatile seating.
