**Tuxedo™ High Back  
Lounge Chair with Tablet & Power**

Nienkämper

Tuxedo™ High Back Lounge Chair with Tablet & Power create a secluded meeting area with a strong sense of presence. Tuxedo™ High Back stands tall, featuring high back and sides, and ultra comfortable seating that offers instant privacy within an open space.

Ideal for educational settings and lounges alike, the Tuxedo™ High Back chair offers an optional arm side cushions and tablet arm, with power and stacked USB charger to provide support for any of today's mobile devices. The Tuxedo™ High Back versions offer privacy and focused space.

The high upholstered panels of these classically tailored chairs provide sound absorbing qualities and a unique sense of personal space. Used alone, the Tuxedo™ High Back functions as a space divider and acoustic element. In a group setting they can be arranged in rows or back to back to create semi-private meeting spaces within an open environment. Imagine, a room within a room. Ideal for commercial applications, lobbies, lounge areas and libraries. Tuxedo™ High Back can define your space and create quiet meeting areas within any space. Tuxedo™ High Back is a quiet solution for any open environment.

**Cushion:** Seat and back cushions have a foam core with Dacron wrap. Back cushions are attached to the frame. Seat cushions are loose.

**Legs:** Square tubular legs made of cast aluminum are available in a brushed finish. A polished finish is available for an upcharge.

**Tablet:** Fingerprint resistance solid plastic laminate top with silver or white powder coat arm support

**Power:** Round power & USB are standard; rectangular plates optional

## Gateway™ Media Lift Table

busk + hertzog

Tuxedo™ Cove is composed of two high back sofas with an interconnecting panel and table to form an enclosed booth for meetings, collaborative tasks or to be used as a touchdown base for the day. The high sides and back provide total seclusion from the surrounding environment without the need for interior substructures while additional privacy is maintained via the acoustic benefits of the interconnecting panel and the sofas high walls.

Table options for Tuxedo™ Cove include the Gateway™ wall mounted table, with a full range of connectivity. Television screens and monitors are easily mounted on the interconnecting panel. The Gateway™ Media Lift table as shown above is a free standing table solution. Gateway™ Media Lift effortlessly transforms meeting tables to create innovative multimedia solutions for communication, presentations and interactive work spaces.
