All wood surfaces are protected with a durable polyurethane clear laquer which includes UV inhibitor. This finish is known for its exceptional durability, as well as abrasion, chemical, impact and scratch resistance. Standard sheen level is 45 degrees. Optional 5, 10 and 35 degree sheen levels are available on request at no additional cost.

Nienkamper products utilize the best quality veneers available, and, combined with Nienkämper’s patented veneering systems, create work environments of incredible quality and beauty.

All veneer furniture comes standard with flat cut book-match veneer; flat cut slip-match veneer can also be specified. Quarter cut slip-match and quarter cut book-match veneers are available at a 5% upcharge. Figured Anagre and Figured Sycamore veneers are Quarter cut book-matched. Bird’s Eye Maple and Curly Maple are rotary cut.

Self and Taper edge tops with veneer are manufactured with a solid wood edge. All edges are then veneer wrapped to create a seamless profile top.

Quarter Cut Slip-Match Add 5% V3

Quarter Cut Book-Match Add 5% V4

Wood grain plastic laminate surfaces are available on table tops with Facet and Taper edges.

These tops are manufactured with a solid wood edge that is applied prior to the laminate top surface. This method conceals the thickness of the wood edge, while providing the durability required. Wood edges are selected that most closely resemble both the species and the color of the laminate chosen

Nienkämper has pre-selected a number of standard wood grain plastic laminates that represent a cross section of both color and species. Simply include the order code with the model number to make these selections. Alternatively wood grain plastic laminates selected outside of Nienkämper's standard selection can be made by specifying the manufacturer as well as the description and model number of the laminate at the time of order.

Wood Grain Plastic Laminate Surfaces	Order Code	Manufacturer #	Finish
Champagne Sagawood	WL1	Nevamar WM8349T	Textured
Hardrock Maple	WL2	Pionite WM791-SD	Textured/Suede
Amber Curly Maple	WL3	Pionite WM221-SD	Textured/Suede

Sterling Ash	WL27	Wilsonart 7995-78	Fine Grain
Ginger Root Maple	WL28	Formica 7288-58	Matt

To specify the wood grain laminate required simply add the Order Code WL_ to the model number of the product.

Wood grain laminate samples are available from your local sales representative or by calling Nienkämper's customer service department at 1-800-668-9318.

P-LAM

COLOURED P-LAM

Both Taper and Facet edge profiles are available with a colored laminate top.

Laminate edging on Taper tops. Edging will match the top surface and is applied prior to the surface laminate. By applying the laminate in this way the seam is positioned horizontally, is much less conspicuous as well as more durable.

Wood edging on Facet and Taper Edge tops is applied prior to the laminate. By applying the wood edge in this way the thickness of the wood edge is concealed, while providing the durability required. Wood species and finishes for edging, can be selected from page 4.

For laminates specified outside of Nienkämper’s standard selection, specify the manufacturer as well as the description and model number of the laminate selected at time of order. For Facet edge tops, the laminate must be a post forming grade.

Translucent edging on Taper edge tops is applied after the surface laminate. The translucent edge is very durable. Clear translucent edge provides a good match with most white colored laminates, while silver translucent edge provides a metallic look and contrast to colored plastic laminates.

Taper edge in clear translucent with white P-Lam top

Coloured Plastic Laminates Surface	Order Code	Manufacturer #	Finish
Grey (Nienkamper - Light Grey/Putty)	CL-01	Wilsonart 1500-60	Matte
Platinum Gray (Nienkamper - Medium Grey/Clay)	CL-02	Nevamar S6023T	Textured
Slate Grey (Nienkamper - Dark Grey)	CL-03	Wilsonart D91-60	Matte
Black	CL-04	Wilsonart 1595-60	Matte
Angel White	CL-05	Pionite SW-826SD	Textured/Suede
Frosty White	CL-06	Wilsonart 1573-60	Matte
White (for writable surface)	CL-07	Formica 949-90	Gloss

Add the order code behind the edge profile when specifying.

FINGERPRINT RESISTANCE P-LAM

Fingerprint Resistance Plastic Laminate is an innovative material created for interior design applications and is suitable for both vertical and horizontal interior applications on our nienkamper furniture.

The external surface of Fingerprint Resistance Plastic Laminate involves the use of nanotechnology made possible by next generation acrylic resins.

The unique composition offers extraordinary features coupled with a unique user experience. These include an ultra matte surface (eliminating glare), an ultra sofa feel, an anti-fingerprint surface, thermal healing of micro-scratches, increased durability as well as anti-bacterial and mold-resistant properties.

Edgeband with matching color to the Fingerprint Resistance Plastic Laminate is only available on taper edge. For 1" or 1-1/4" thick top with self edge, same Fingerprint Resistance Plastic Laminate can be specified for the self edge or it can be in clear/silver translucent edge.

There is a 10% upcharge on our standard plastic laminate table pricing for Fingerprint Resistance Plastic Laminate.

VOX® MEGA FLIPTOP

Looking for a flip top table with a larger top? The Vox® Mega FlipTop™ table provides you a solution. It is easy to move and reconfigure. The tables are ganged together to create an almost seamless conference table.

To configure a boardroom table 240"L x 60"D, you need only 4 Vox® Mega FlipTop™ tables of 60"L x 60"D.

Top & Base Finishes

All standard Nienkämper veneer and laminates

Edge Details

1 1/4" thick Self Edge (SE)

VOX® MEGA FLIPTOP

Base

Vox® Mega FlipTop™ table is supported by a tapered base which is standard in dimension 24"W x 24"D for all sizes of top. There is a removable panel on the base for easy access of cables inside.

Surface Shapes & Sizes

Top is 1-1/4" thick and overall height is 29"H.
Length: 48", 54" & 60"; Depth: 54" & 60"

Elevation

front elevation showing removable panel of the base

side elevation showing fixed panel of the base

front elevation showing table top flipped up

side elevation showing table top flipped up

The 60"W x 60"D Vox® Mega FlipTop™ table has a width of only 27"W when flipped up and will fit through door ways.

Overall height of the table when it is flipped up is 61-5/8"H for 54"D top.

Connectivity

front elevation showing inside of the base

The Vox® Mega FlipTop™ table is standard with a rectangular hinged grommet on the top, available in clear or black anodized aluminum.

Model Number	Dimension	Finish
70840	11" w x 5" d	Clear
		Black anodized aluminum

A SIMPLE Forum (6 port) of your choice can be installed on top of the base, the Forum can be easily accessed from the hinged grommet when the table top is flipped down.

The Vox® Mega FlipTop™ table also comes with a standard SIMPLE Forum (white or black) with three pre wired powers. This forum can power up the battery box of casters' lifting mechanism and the SIMPLE Forum which is located at the top of the base.

How to reconfigure the Vox® Mega FlipTop™ Table?

Five easy steps:

1. Unlatch the table's integrated ganging mechanism which are always attached to the table and do not require tools to remove.

2. To flip up the top, pull the handle on the underside of the top towards yourself to release the latch. The gas cylinders in the base allows the top to be flipped with one hand.

3. Push the “up” button on the side panel, the 4 swivel casters are raised up so that you can move the table.

4. Once the table is in position, just press the “down” button and the swivel casters will be lowered and the base will sit flush.

5. Lastly, push down the top until you hear a click. The click confirms the top is locked in the down position. Gang the table together with the integrated ganging mechanism.

Note: The electrically operated casters are controlled by a lifting mechanism which is connected with a battery box. Both units can be stored inside the base. Once the battery is charged, it can operate 100 lifts.

VOX® MEGA FLIPTOP

1¼" thick top, overall height 29"H. Base dimension: 24"W x 24"D

TERMS AND CONDITIONS OF SALE

PRICES

All prices are list prices, freight included, blanket-wrapped, dock delivered, from the manufacturing source to any location in the contiguous United States.

Brokerage is paid by Nienkämper for product shipped to the United States.

Due to existing conditions in regard to cost of labor and materials, we reserve the right to change prices without notice.

TERMS

Net 30 days from date of invoice to accredited buyers. Two per cent (2%) interest charged monthly on overdue accounts. Deposit of 50% is required with order. Terms will be established upon credit evaluation. Due to delays in processing references, first orders may be treated as C.B.D. orders.

ORDER CONFIRMATION

Orders are accepted upon issuance of our order confirmation and are subject to the terms set forth therein; notwithstanding any variance from the terms of the buyer's order form.

Nienkämper is not liable for any delay or failure to deliver caused by labor or transportation difficulties, accidents, acts of God, failure of sources of supply, or other causes beyond our control, and changes will affect the delivery date.

CHANGE OF ORDERS OR CANCELLATIONS

Changes or cancellations are subject to our ability to conform. A charge will be levied against canceled or changed orders based on costs already incurred by Nienkämper. All changes must be in writing and submitted on a revised purchase order. Changes will affect the delivery date.

STORAGE

If goods cannot be accepted when ready, we may transfer them to storage (which is to be deemed as delivery for invoice purposes). The customer accepts risks and will be charged at prevailing rates.

FREIGHT

Prices include freight charges, blanket-wrapped, dock delivered, from the manufacturing source to any location in the contiguous United States. Packing and/or crating are available, if required, upcharges apply.

CLAIMS

All furniture is given to the carrier and signed for in good condition. It is the responsibility of the receiver to sign for the goods in the presence of the carrier and note the condition in which they are received. Freight claims should be filed with the carrier.

WARRANTY

There are no express or implied warranties, conditions and obligations of the manufacturer, whether statutory or otherwise that extend beyond the description on the face hereof. Our furniture is made to the highest standard and is warranted free from defects of material and workmanship for five years from the date of delivery. During the warranty period we will repair or replace such merchandise as shall prove to be defective, during normal usage in accordance with manufacturer's specifications. The manufacturer shall not be liable for defect wholly attributable to normal manufacturing process. Replacement or repair of the Product shall be the sole remedy of the Customer, and the manufacturer shall not be liable for any direct, indirect, incidental, or consequential loss or damage suffered by the Customer by reason of any defect in workmanship or manufacture of the Product or inability to use the Product. Moreover, this warranty does not cover accidental damage, abuse, alteration, ordinary wear and tear of Goods, negligence and misuse nor variations over which we have no control such as heat or humidity or damage to which the Goods are connected that is not attributable to the failure of the goods themselves. This warranty is null and void when the product is installed with hardware other than that supplied and/or when installed differently than recommended in the installation guide. Modification to the product or hardware may result in failure of the product and cause damage and/or injury.

WOOD FINISHES

Nienkämper offers a wide variety of standard light finishes on cherry, mahogany and figured anagré wood veneers, and a clear natural finish on figured anagré, figured sycamore, maple, bird's eye maple and curly maple.

Light finishes do not mask the grain and other characteristics of each wood species. It is important to understand that pieces of the same type of wood will not look identical when a light finish is used. The appearance of the finish will also depend on the natural color of the veneer. Cherry darkens over time as the wood ages. Pin knots and gum pockets are inherent traits.

Wood is a naturally variable raw material; its variances are not within the furniture manufacturer's control and are therefore not considered defects under this warranty.
