

STANDARD FEATURES

Vox Carts are designed to complement all Vox credenzas and cabinets in The Vox Collection. The sides of the Carts have aluminum trim around the perimeter. Trim is available in five anodized finishes to match all designs in The Vox Collection. Vox Carts are available in standard Nienkämper wood veneers and stains, and are 341/4" high. The end elevation matches the doors on 34-1/4" high Vox credenzas, and can be used together to form a continuous storage element. (See page 283)
