

Cool Kicks

Football phonics fun to practise words with C, K and CK

For this activity, you will need:

The Alphablocks C, K, CK word cards printout
(or pens and paper)
A football
Some cones or markers.

When using
scissors ask a
grown-up
to help you

What to Do:

1. First, print out the C, K and CK word cards or write these words on a piece of paper and cut them out:
can cap cup cot kid kit back duck kick neck pack sock tick
2. Share out the word cards with your little one to make two teams.
3. Put some cones or markers on the ground.
4. Holding your team cards, dribble the ball to the first marker. Take a card, sound out the letters and read the word aloud. If you sound out correctly, you score a point. Help your child if they get stuck (and perhaps they can help you too!). Take turns to dribble the ball and read - and see who scores the most points!
