

# Kiss or Miss?

## How to play:

**S** can double up to make **SS**! Have some fun with **SS** in this game!

- 1) With your grown-up, cut out the kiss, shut your eyes and try to put it on SS!
- 2) Will you kiss or will you miss?
- 3) How many points did you score? Can you beat your grown-up?

*For even more fun, add a point for every other word you can think of using "ss". There are examples at the bottom of the page.*

**Some more SS words:** less, pass, mess, boss, fuss, cross, class, glass, press, dress, grass
