Pirate fun with R and H

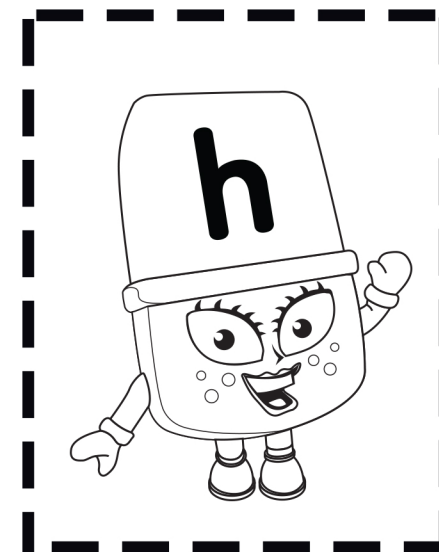

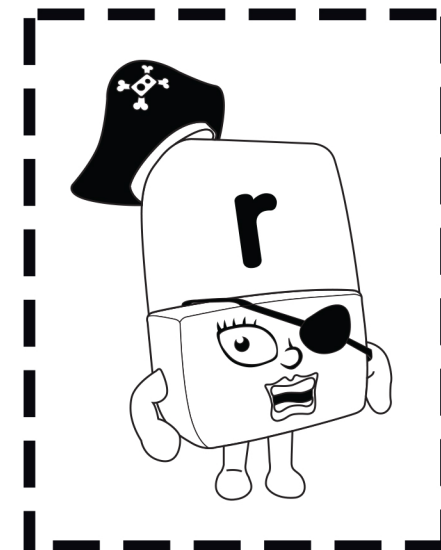

What you need:

- Treasure Island printout
- Cut-outs of Alphablocks R and H from this sheet

What to do:

- 1) You and your little one each choose a character, R or H.
- 2) Place your characters anywhere on the word track around the Treasure Island.
- 3) Take turns to see if you can make a word by adding your character's letter in the gap of the word you're on. If you can make a real word, score one point.
- 4) Take turns to move your characters along the track one space at a time, and score a point for every word you make.

The winner is the one with the most points at the end of the game!
