

# The Big Din!

## Noisy fun with B and D

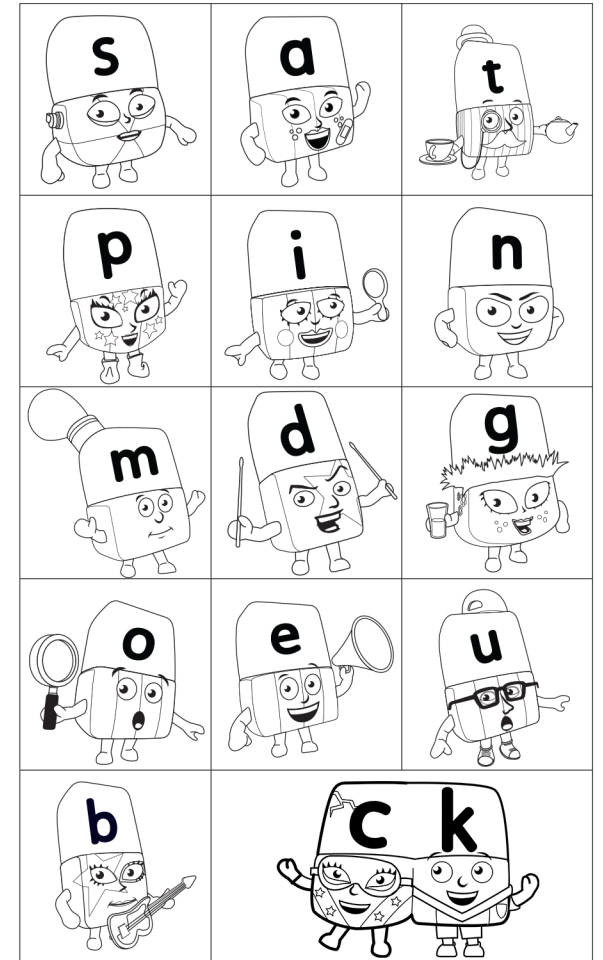

### What you need:

- A big plastic bottle with a lid
- Some dried peas, beans or rice
- Small Alphablocks shapes or letter cards for s, a, t, p, i, n, m, d, g, o, ck, e, u and b

### What to do:

- 1) Put a couple of handfuls of dried peas, beans or rice into a large bottle, and add your Alphablocks shapes or letter cards.
- 2) Put on the lid, and let your little one shake along to some music.
- 3) When the music stops, what letters can they see? See if your little one can think of a word beginning with any of the letters they can see. Or maybe they can use some of the letters to make a whole word!

For a harder challenge, see how many words they can find!

Make sure you download Alphablocks World for more fun activities and games!
