

Valentine's Cupcakes

What you need:

165g Margarine / Softened butter, 165g golden caster sugar, 3 eggs, 165g self raising flour, 8 Large marshmallows, Royal icing (varied colours), Black cake craft pen
Alphablocks cake case template, Colouring pens, Glue

What to do:

- 1) Heat the oven to 180C/160C fan/gas 4
- 2) Place 8 large cupcakes (preferably square, though circles work too) on an oven tray.
- 3) Beat the margarine/softened butter and golden caster sugar together until pale and fluffy.
- 4) Next, beat the eggs into the mixture and whisk in the flour and spoon the mixture into the cases.
- 5) Bake for 15 - 20 mins until golden brown. Then leave to cool.
- 6) Colour in the Alphablocks cupcake cases and glue together.
- 7) When the cupcake is cool, cut off the top to make it level and cover it in icing to match the colour of your favourite Alphablocks.
- 8) Write the matching letter onto the marshmallow with the black cake pen (or you could use black royal icing) and place onto the cup cake.
- 9) Why not try making Alphablocks H, U and G for some special Valentine's Day cupcakes?

Make sure you download Alphablocks World for more fun activities and games!
