Here's how to make your own story!

1. Create a backdrop for your story by taping three pieces of A4 card together like this...

2. Stick the scene print-outs below onto your backdrop with PVA glue and colour them in.

3. Print and carefully cut out the props using safety scissors. Attach the clouds to lolly pop sticks with sticky tape.

4. There you have it! One wonderful world for your own Numberblocks MathLink Cubes story!
