

# Number Explorer Missions

Hop up and down 5 times. Add 1 more. How many times is that?

Count 3 cars while you are out. Now count 1 more. How many is that?

Do 4 star jumps. Now add 1. How many is that? Keep going. How many star jumps can you do?

Take 1 big step. Now add 1 more. Keep adding 1 more! How far can you get?

## Play Together

Just Add One! Cut out all the Numberblock Ones and use them to help your little learner count one more!

For your next mission, find the episode 'Ten Green Bottles'

# Just Add One

This mission belongs to

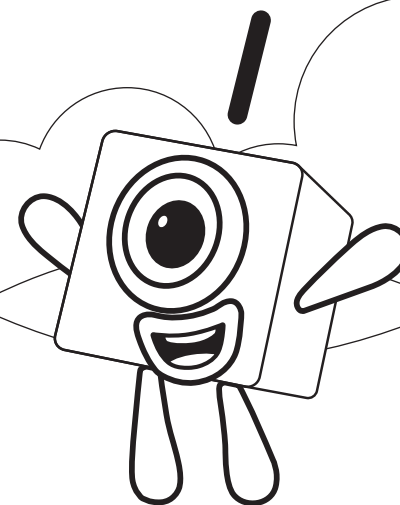

---
