

# Number Explorer Missions

Find 10 things around the house and make a pile. Now take one thing away. How many things are left?

Take another thing away from the pile. How many things are left?

Keep going until only 1 thing is left

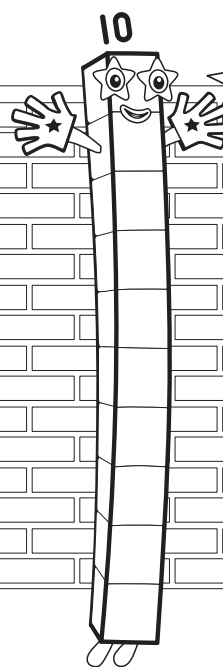

## Play Together

Ten Green Bottles. Cut out all the bottles and use them to help your little learner answer the questions.

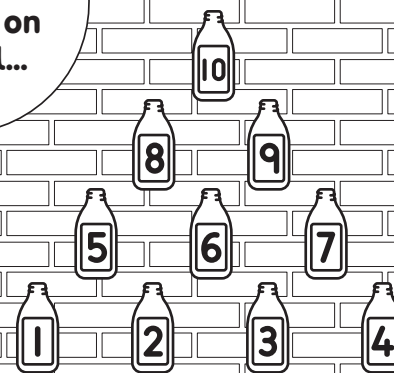

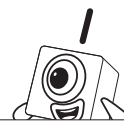

For your next mission, find the episode 'Counting Sheep'

# Ten Green Bottles

This mission belongs to \_\_\_\_\_

Ten green bottles, hanging on the wall...

Numbers to 10

Subtracting One

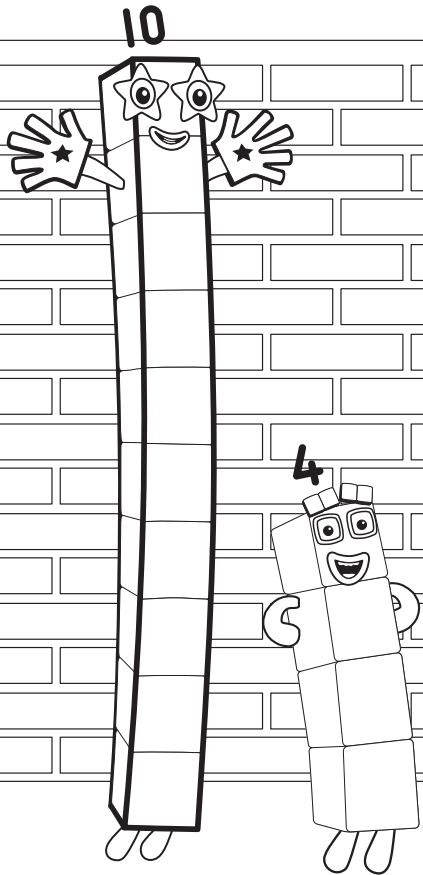

Ten Green Bottles
