

Blockzee!

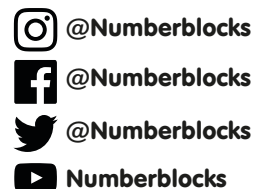

What you need:

One small cardboard box, scissors (grown-ups only!), clean yoghurt pots, black, red and green paper, white paper/ping pong balls, PVA glue, sticky tape, the Blockzee template

How to make her:

- 1) Draw Blockzee's head and body on the cardboard box, using the template, then cut the box in two pieces below the top line of her mouth.
- 2) You could use clean yoghurt pots for the legs, a cone of paper attached with sticky tape for the tail and small tubes of cardboard for the arms. Then stick it all together.
- 3) Now the face... Use two black strips of paper for the mouth or paint two black lines. You can use ping pong balls for the eyes or round pieces of white paper. Use green paper for the fins and nostrils and stick these onto the face. You can stick green eyelids above the eyes too.
- 4) Paint your Blockzee and decorate her how you like. Now you're ready to play 'More or Less' with your new friend
