[Nov 12, 2021- Edina, MN] The National Association of the Remodeling Industry (NARI of MN) named NEW SPACES, as the SILVER WINNER in the Residential Interior \$100K-\$250K category of its annual awards competition. Each year, NARI-MN presents CotY awards to members who have demonstrated outstanding work through their remodeling projects. This is the highest form of recognition by industry leaders and peers. This year there were 60 entries that totaled more than \$15 million worth of remodeling projects.

Contractors from around the metropolitan area vie for CotY Awards each year. Judging is based on problem solving, functionality, aesthetics, craftsmanship, innovation, and degree of difficulty by an impartial panel of industry experts. NARI-MN named over 40 winners at its annual awards gala at A'BULAE in St. Paul. Winners can advance to Regional and National competition, representing quality Minnesota craftsmanship and innovation. Winners at the Regional and National level will be awarded in April of 2022.
