ABOUT

Jessica Boles joined HHM CPAs in 2020 after transferring from Freight Depot Accounting (FDA), an affiliate bookkeeping company of HHM CPAs. This experience gave her insight into all sides of accounting processing, a major advantage in her current role. Today, she draws upon her multi-faceted experience to prepare individual and business tax returns for clients in a variety of industries.

Prior to working as an accounting specialist for FDA, she was the accounting manager for an international furniture manufacturer and wholesaler for several years and spent over a decade as an office manager and bookkeeper in the service industry.

Jessica is enrolled to practice before the Internal Revenue Service as an Enrolled Agent (EA).

Outside of her accounting work, Jessica enjoys traveling and spending time with her family.
