ABOUT

Brittany Carman brings over 12 years of public accounting experience to HHM CPAs' Accounting and Assurance department. As a senior manager, Brittany oversees the completion of assurance engagements including audits, reviews, and compilations for clients in the construction, nonprofit, manufacturing and distribution industries, in addition to other privately held companies.

Putting her in-depth knowledge of accounting principles to use—along with experience working with different businesses to help improve her clients' internal controls—results in growth across her vast client portfolio. During each engagement, Brittany works with clients one-on-one to solve financial problems and offer fresh perspective.

Prior to her time at HHM, Brittany spent several years at a regional firm in Atlanta and served as a partner at a local CPA firm.

Outside of the office, Brittany enjoys cooking, golfing, and relaxing outside with her husband, friends, and dog.
