## AREAS OF CONCENTRATION

### Services:

Accounting & Assurance

## ABOUT

Lindsey Juenemann joined HHM CPAs in 2019 after moving from Kansas to Memphis, Tennessee. Lindsey's role as a staff accountant includes preparing individual and business tax returns as well as working on audit projects for a variety of clients. Her favorite part of the job is that it lends itself to constant self-improvement and interaction with new people.

Prior to joining the firm, Lindsey held an accounting internship at an electrical cooperative. Lindsey grew up in a family of business owners and she herself owned and operated a small business while she was in high school. It was during this time that she discovered her love of accounting.

Outside of accounting, Lindsey enjoys spending time outdoors with her husband playing tennis, golfing, and fishing. She also enjoys watching all kinds of sporting events, especially K-State's.
