---

Staff Accountant  
Memphis Office

901.261.0318  
tboswell@hhmcpas.com

## EDUCATION

University of Memphis, Bachelor's of Business Administration,  
Accounting

## ABOUT

Taylor Boswell joined HHM in 2021 as a staff accountant where she will prepare tax returns, assist on audit projects and many other tasks that help in providing exceptional service. Taylor attributes not only her degree in Business Administration with a focus in accounting but also her participation in the MILE Leadership program in college to her credibility.

Originally from a small town outside Knoxville, Taylor moved to Memphis to attend college. She also joined the Memphis Pom Dance Team to continue pursuing a passion for dance since she was four years old. Being determined and competitive makes Taylor excel at her job and she defines success as doing what you love and having fun with whatever goal you set out to accomplish.

When Taylor is not working, you can find her exercising but she does enjoy a good lazy day off with shows on Netflix or Hulu. She recently entered the world of cooking, but fire seems to be her enemy so she's taking things slow. And as soon as she gets a couple days free, she is going to make the six-hour trip to see her family.
