ABOUT

Rachel Oaks joined HHM in 2018 as a Senior Accountant in the Memphis office. Since day one, clients have resonated with her willingness to take on a challenge and strong attention to detail.

To Rachel, success is not just learning something new every day, but teaching someone else something new, too. Prior to her current role, she worked in staff and senior accountant positions at two Memphis based accounting firms where she sharpened her audit and client communication skills.

A Memphis native, Rachel enjoys going to Memphis Grizzlies games, traveling to kayak, and ATV rides with friends and family.
