Construction
Manufacturing and Distribution

ABOUT

Rachael Yager joined the accounting and assurance department in 2021 and assists in the completion of audit field work, as well as preparing financial statements and tax returns. Her goal is to always exceed the audit quality expectations set by the client and the firm.

Prior to joining HHM, Rachael worked in public accounting as a staff auditor, following a two-year internship with a local manufacturer.

Rachael moved to Chattanooga from Nashville to attend the University of Tennessee at Chattanooga and after graduating with a Master of Accountancy decided to make this her permanent home. Outside of work she enjoys finding new hiking spots, cooking, and cheering on the Nashville Predators.
