ABOUT

Brandi Mosley brings over 18 years of experience, providing tax, payroll, financial services, QuickBooks & Sage accounting systems services to clients in the hospitality, trucking, retail, construction, and healthcare industries. Always seeking new ways to provide value, Brandi enjoys working with clients to advise on the latest tax strategies and best financial practices for their businesses.

In her previous position as Senior Accountant at Bowen & Associates in Rome, GA, Brandi helped to manage their Summerville office by reviewing all client services including payroll, bookkeeping, and business and individual taxes with a meticulous eye for detail. She diligently provides HHM clients with reliable insights for understanding their financial needs and tax options.

When at home, she enjoys spending time outdoors and cooking with her husband and daughter. For several years, she and her husband have enjoyed coaching softball and basketball for the recreation leagues near their community. Most of the time, they can be found at the softball fields or basketball courts rooting for their daughter's team.
