Accounting and Assurance

## ABOUT

John Wise joined HHM in 2020 as a senior accountant. Since starting at the firm, John has been focusing on dealership tax work but will also support the Accounting & Assurance team. John is ready to jump in and help wherever he can and wherever he is needed. When asked how he defines success, John explained that for him success is the achievement of strategic goals and exceeding others' expectations consistently so that ultimately, he can become a advisor and business partner.

Born and raised in New Albany, MS, John attended Mississippi State University for both undergraduate and graduate degrees in Accounting. Prior to joining HHM, John worked for two years at Pfizer Inc. and interned with Deloitte in the Memphis office. John and his wife will welcome their first child in May of this year.

When John isn't working, you can find him reading, exercising, spending time with his wife and friends, keeping up with all thing Mississippi State athletics, traveling to new places and checking out the local restaurants and breweries that Memphis has to offer.
