

HENRI RAPP

RECORDING

Production Sound Recordist

Based In Cleveland, Available for Travel

Hi, I'm Henri Rapp, a Cleveland based sound recordist specializing in sound for TV, Film, & Commercial Video Production. Originally coming from a recording studio background, I have over 12 years of audio experience to draw on. Recording isn't just a "Job" for me, it's my passion. I love taking on challenging projects with unique requirements. With every new client I aim to bring a new level of professionalism & production quality. Contact me to discuss your production's unique challenges and get a custom quote!
