All drop bags should have your bib # prominently displayed on the outside. Please no coolers or extra large bags/boxes. You will have five locations you can access drop bags. You will need separate drop bags for each location. We will have duct tape and sharpies for you to label at bib pickup, but anything you can do before is helpful for race staff and for your own peace of mind race morning.

FINISH LINE & POST-RACE INFO

BRING A CHAIR AND HANG OUT! We will provide you all with hamburgers & vegan veggie burgers, and lots of yummy snacks. We are trying to be a plastic free race so please fill up your handhelds or own bottle from gallon jugs at the finish.

RULES + RESPONSIBILITIES

1. **NO LITTERING.** 99% of you would never think of it, but it must be said. DO NOT ever drop trash anywhere other than in a trash bag, at an aid station. If trash is seen on the trail, I could lose permits!
2. **WE ARE CUP-LESS.** You absolutely must bring a reusable cup/hydration pack/bottle.
3. **BE NICE, BE KIND, OR BE CUT.** Be nice to each other, be nice to the volunteers, be nice to other trail users – or be disqualified. KHRaces does not tolerate abuse of any kind, to anyone. This includes crews!
4. **BE ON TIME.** We cannot allow runners to start the race late. Please arrive with enough time to get your bib, get settled and get to the start line on time. This is for your safety, and is required by our permit.
5. **BE CLEAN.** Volunteers will use tongs to hand out snacks, etc. Runners must open & close their own packs/handhelds and volunteers will fill with whatever liquids you need.
6. **BE AWARE.** Music/headphones are OK, but keep the volume low & be aware of guidance from aid station volunteers, other runners & trail users.
7. **CREWS.** Be sure your crews map out each destination they are allowed to be at. No crews or spectators are allowed anywhere other than those spots we have designated.
8. **HAVE FUN!**
