The Financial Conduct Authority

Expert Independent Financial Planning Limited is authorised and regulated by the Financial Conduct Authority (FCA). The FCA regulates financial services in the UK and you can check our authorisation and permitted activities on the Financial Services Register by visiting the FCA’s website: www.fca.org.uk/firms/systems-reporting/register. Our Financial Services Register number is 914522.

Our Services

For **Mortgages** we are independent mortgage advisers and we will recommend a mortgage product that is suitable for you following an assessment of your personal needs and circumstances. This will include a detailed assessment of affordability.

We will consider all products and lenders that we have access to. This means we will not consider those lenders that are only available by you going direct to them.

Where you are increasing your borrowing we will consider the merits of both a new first charge mortgage and securing this by an additional mortgage on a second charge basis. You may have the option of a further advance from your existing lender, however, we will only consider this where we are able to deal directly with the lender on your behalf.

It may be in your best interests to explore this option and look at the further alternative of an unsecured loan, as these may be more appropriate for you.

For **Non-investment protection contracts** we are an intermediary and will act on your behalf when providing advice and making our personal recommendation(s) to you. We will do this based on a fair and personal analysis of insurers for term assurance, income protection, critical illness.

For **general insurance contracts** we are an intermediary and will act on your behalf when recommending an insurer based on your demands and needs from a fair analysis of the market. The insurers we consider will be listed to you when we carry out our research. It will be your responsibility to ensure the policy meets your demands and needs for building and/or contents, private medical insurance, accident sickness and unemployment.

— The Costs of our Service

Mortgages

Where mortgage borrowing is under £250,000, we will charge a fee of £495 for advising and arranging, payable on issue of mortgage offer by the lender. This may include adding the fee to the mortgage where requested by the client.

We will not charge a fee for mortgages of £250,000 and over.

We will receive and retain any commission paid by the lender when your mortgage completes. This amount will be confirmed by the lender in their disclosure document. This is usually paid on completion.

Refund of fees

We do not provide a refund should you decide not to proceed with the mortgage loan after receiving mortgage offer from the lender.

Non-Investment Protection and General Insurance Contracts

We do not charge a fee as we will receive commission from the provider/insurer after the policy has been placed on risk.

— Our Ethical Policy

We are committed to providing the highest standard of advice and service possible. The interest of our customers is paramount to us and to achieve this we have designed our systems and procedures to place you at the heart of our business. In doing so, we will:

- be open, honest and transparent in the way we deal with you;
- not place our interests above yours;
- communicate clearly, promptly and without jargon;

— Cancellation rights

Certain protection and insurance contracts allow you the right to cancel after a contract has been put in force. Prior to you entering into a contract of protection or insurance we will provide you with specific details should this apply to include: its duration; conditions, practical instructions and any costs for exercising it, together with the consequences of not exercising it.

— Instructions

We prefer our clients to give us instructions in writing, to aid clarification and avoid future misunderstandings. We will, however, accept oral instructions provided they are confirmed in writing.
