## BA (H) FASHION COMMUNICATION & PROMOTION

Hi, I'm Chloe, a Fashion promotion and communication graduate from London. I have an excitement for trend forecasting, styling, social media marketing and PR. I was chosen as NTU's submission for the marketing award for Graduate Fashion Week which was a big achievement for me. My favourite projects include The live brief project at the end of 3rd year in which we worked alongside The Future Laboratory and the trend forecasting project in second year predicting A/W fashion and lifestyle upcoming trends. I want to make a difference in whichever field I end up in and hope to inspire younger women who wish to work in a creative role that it is possible. If you would like to see more of my work take a look at my creative instagram - @chloescreative.
