## BA (H) FASHION COMMUNICATION & PROMOTION

Hi, I'm Tia and I'm a creative storyteller boasting a multitude of skills including branding, art direction, social media marketing and graphic design. I'm attracted to compelling design and witty copy. After 3 amazing years studying Fashion Communication & Promotion at NTU, I'm excited to kickstart my journey into industry and further develop the skills I have learnt on my course. You'll find on my page images of some of my favourite pieces of work that I've been a part of or solely created, my website and links to the appropriate socials!
