

TRAINING COURSE OUTLINE:

FYB MEDIAZEL INTRODUCTION AND INTERMEDIATE

Course Duration

1 ½ hours

Delivery Mode

Remote training session via Microsoft Teams

Training is delivered within your environment to contextualise the training to your setup and build version

The training session will be recorded and provided upon conclusion of training for your reference

Pre-requisites

Content Manager Introduction

Audience

Suitable for staff that have a basic understanding of Content Manager and have a Content Manager licence.

This training course allows you to have up to a maximum of 10 trainees to attend

Overview

This training course provides attendees with an understanding of how FYB's Mediazel can be used to enable efficiencies with managing Media.

Attendees will learn how to upload, share and retrieve media using FYB's Mediazel.

Topics

This training course will cover the following within Mediazel:

- ▶ Overview of the interface
- ▶ Upload media and Update media metadata
- ▶ Search and retrieval of media
- ▶ Favourite media
- ▶ Share media
- ▶ Use the Adobe Connector with Mediazel

Please note that the provision of training materials or digital handouts are not included in the training. However, online help guides are available to reference and quotes for custom training materials can be provided upon request.
