

1. Tessa speaks of pathos. What is it and why does she feel Callie is using pathos in their discussion of past events?
2. Why did Callie distance herself from her friendship with Tessa? Does she regret it? How does she explain to Tessa?
3. Tessa believes she and Ariel are both needy. Give examples and explain why she feels this way?
4. How did you feel about Wyatt Stokes?
5. Tessa says that she and Callie were raised differently. In what ways? How does the way they were raised color their view of their situation?
6. Why can't Tessa be angry with Annette for taking her?
7. What emotions does Tessa feel when she sees Joslin again?
