

DISCIPLINARY POLICY

Version: April 2022

1. THE POLICY

- 1.1 The disciplinary policy is set out below. It is designed to ensure that all employees across the Diocese are managed fairly and consistently in disciplinary and other related matters affecting their work with the Diocese. However, this procedure is intended only as a statement of our aims and the guidance give to managers, and it does not form part of your contract of employment r otherwise have contractual effect to the extent permitted by law.
- 1.2 This policy applies to conduct only (lack of 'will'); if there is an issue with performance capability (lack of 'skill') please refer to the Capability Policy. Contact your line manager or the Chief Operating Officer.
- 1.3 The Diocese Disciplinary Procedure should be used only when necessary. Where possible, informal and/or formal counselling or other good management practice will be used to resolve matters prior to any disciplinary action being taken. The procedure is intended to be positive rather than punitive but takes notice of the fact that sanctions may have to be applied in some circumstances.
- 1.4 An employee can discuss any part of this Policy with their line manager, their trade union representative or the Chief Operating Officer. Every individual has the right to be accompanied by a work colleague or trade union representative to a hearing at any point during the formal disciplinary procedure.
- 1.5 Should an employee's conduct fail to meet the standards expected, they will entitled to fair and proper hearings in line with the disciplinary procedure set out below. At every stage of this procedure supervisors, managers and Parish Priests are expected to consult with the Chief Operating Officer to ensure that a consistent approach in dealing with disciplinary action across the Diocese is adopted.

- 1.6 The Diocese will carry out an investigation of the facts and this may require the employee to be suspended from work on basic pay, normally for a maximum of 7 calendar days (although this may be extended in appropriate cases) while the alleged offence is investigated. If an employee is or becomes sick during such a period of suspension, the normal absence reporting and sick pay rules will be followed.
- 1.7 If it is felt that there is case to answer then the employee will be required to attend a disciplinary hearing with enough notice to allow both sides to prepare. This hearing will be confirmed in writing together with details of any alleged offence, and copies of any documentary evidence.
- 1.8 Hearings may be postponed due to the non-availability of a companion or representative but for no longer than a period of 7 days.

2. PRINCIPLES

- 2.1 All disciplinary matters should be dealt with promptly.
- 2.2 Disciplinary procedures should be applied consistently to all employees.
- 2.3 Suspension prior to a disciplinary hearing is not intended as a form of disciplinary action in itself but may be taken in order for the Diocese to establish the facts prior to deciding whether disciplinary action is justified.
- 2.4 No disciplinary action will be taken until the case has been fully investigated.
- 2.5 No employee will be dismissed for a first breach of discipline except in cases of gross misconduct or when someone is still within their probationary period.
- 2.6 All employees have the right of appeal against any disciplinary decision made as long as they observe the time limits outlined in this policy.
- 2.7 At every stage of these procedures, managers should consult with the Chief Operating Officer to ensure that any action taken against staff is fair, legal and consistent.
- 2.8 A copy of this policy will be accessible to all employees from their line managers and the Chief Operating Officer. The policy is published on the Diocesan website.
- 2.9 Training and support are available to managers responsible for implementing the policy: please contact the COO.
- 2.10 It is the Diocese's intention that employees accept that these procedures are in place to support and protect employees.

- 2.11 The Diocese will support staff as much as is reasonably possible in order to affect development and change and will honour the outcomes and recommendations (in the form of support or training) from any disciplinary hearings that take place.
- 2.12 Prior to a hearing taking place, the employee will be given a copy of this policy including information about their rights to be accompanied by a work colleague or union representative.
- 2.13 Employees will be given every opportunity to state their case and submit mitigating circumstances and will be given copies of evidence concerning the allegations prior to the hearing taking place. As far as is reasonably practical, the hearing will be held on a mutually convenient date.
- 2.14 The Diocese will endeavour to ensure that any disciplinary procedures are free of any discriminatory practice or assumptions being made about the employee, in line with current legislation and the Diocese's Equal Opportunities Policy.
- 2.16 All proceedings, witness statements and records relating to disciplinary procedures will be kept strictly confidential, although it may be necessary to involve third parties in the initial investigation in the event that further investigation is required.
- 2.17 All disciplinary action will be confirmed in writing.
