

OUR COMMITMENT TO SAFEGUARDING

Ensuring that children and vulnerable adults are kept safe and know they are loved is at the very core of the Church's ministry. The work of safeguarding must be seen within the overall mission of the Church. As she seeks to protect the vulnerable and weak, the Church needs to 'act justly, love tenderly and walk humbly with God'. (Micah 6:8). It is a ministry of love and healing and seeks justice for all.

The Diocese is committed to safeguarding as an integral part of the life and ministry of the Church. Supported by and in compliance with the policies and procedures of the CSSA, we are striving towards a culture of safeguarding where all are safe from harm and abuse and where everyone is encouraged and enabled to enjoy the fullness of life in Jesus Christ through the prayerful, nurturing, supportive and protective endeavours of the Catholic Community, both individually and collectively.

The Diocese will ensure that any allegations of a safeguarding matter are responded to promptly and managed sensitively and considerately; we will liaise with statutory authorities to support investigations.
