

# Nuclear Science Week

## Community Day

Monday,  
October 16, 2023  
7 - 9 PM | NRB East Lobby

Join us in celebrating Nuclear Science Week at **Canada's Nuclear University**.

- Tour McMaster's world-class **nuclear research facilities**, including the McMaster Nuclear Reactor
- Participate in **hands-on educational** nuclear science activities
- Discover how we safely produce **life-saving medical isotopes** and conduct research in materials science, clean energy and more.

**Register Online**
