

Toileting Policies and Facilities at Forest School

At Little Owls Pre School & Nursery there will be access to at least one travel potty. These facilities have been constructed to enable users to use the toilet when necessary in a private and hygienic manner. Although we have these facilities, we ensure that all participants use the facilities before leaving the building.

If the children need the toilet during the session, they will be accompanied by a (DBS checked) adult to the nearby potty. After using the toilet, all individuals must wash their hands using the facilities provided to ensure hygiene.
