Dear Valued Customer,

Starting January 1, 2023, Comet Messenger will be discontinuing our Emergency and Budget services. To replace them Comet is introducing a new 4-to-6 hour service named Standard. We feel the change will streamline our service offerings to better reflect industry needs.

New Service Levels

Streak Service: 1-to-2 hour delivery window

Priority Service: 2-to-3 hour delivery window

Standard Service: 4-to-6 hour delivery window

If you are a customer who currently uses either our Emergency or Budget service on a regular basis we have created a special rate chart to accommodate your situation. If your company prefers to be included on a special rate chart, please contact our accounting office directly at 312.226.9234.

Sincerely,

Jim Sailer
